Good Morning Shirley,

My name is Leannndra Copeland and I work in Research and Analysis. I have reviewed the requested sections of 4-6 in the SCSEP 4 Year State Plan. The data listed in the plan matches our records here in R&A. One thing I noted was a reference to 'Appendix G: Nevada Workforce Informer, Data Analysis', for which there is no attachment. Would you like me to review this too? If not, the review is complete. It is nice to know there is a workforce development plan for seniors in the workforce! If you have any question, please feel free to contact me.

Thank You,

Good Morning Dennis:

I have completed the draft of Nevada's SCSEP 4 Year State Plan and was wondering if you would review in particular Sections 4, 5 and 6 regarding the projected economic information that I extracted from the Integrated State Plan. I didn't make any significant changes to your text but want to make sure that what we used is o.k. with you before we put it out for comment.

Thank you. Your time is very much appreciated.
